Choose one:

Different stars can be special too!

Help Spark Make the Words!

Put the letters in the right order.

1. R A T S

STAR

2. H T G I L

LIGHT

3. N O O M

MOON

4. S K R A P

SPARK

You can do it!

Words have power... just like your light!

Spot the Differences!

Can you find 5 differences?

Look at both pictures.
Circle what is different.

There are 5 differences in total!

Look closely... you can do it!

Follow Spark's Light
Help Spark find the way to the glowing flower!
Follow the glowing path, but be careful —
there are a few twists and turns.
You can do it!
Just follow
the light!

My Special Light

Activity: About Me

Just like Spark, every child has their own special light. Take a moment to think about you! Fill in or draw your answers.

What makes me happy?

What am I good at?

What do I love?

What makes me special?

A kind message to myself:

There is no need to be like anyone else.
Your light is enough.
